Volunteer Roles Available

There are numerous opportunities for volunteering at the Art Students League of Denver (ASLD). Most roles have volunteers scheduled on an as-needed basis, though some roles are regularly recurring.

Admin Assistance – Assist with behind-the-scenes legwork – making calls, filing, IT assistance etc.

Art Handling – Install/de-install exhibits, assist with packing/unpacking shipped art for national shows, and packing purchased artwork.

Art Archiving – Document archived works, and research their approximate age, origin, etc. Pack art for long-term storage.

Equipment and Building Maintenance – Complete repairs to studio equipment, assist with building upkeep, modifications, and minor repairs.

Faculty Assistant – Assist instructors with class logistics to improve the learning experience for students. Faculty generally select a student that they have established a strong rapport with to volunteer as a faculty assistant.

Greeting – Greet visitors, students, event attendees, etc. – be the welcome wagon.

Library Maintenance – Shelve and catalog books. There is room to assist with shaping and guiding the library program for volunteers interested in a greater level of involvement. Library volunteers should be able to commit at least three hours per month.

Open Figure Study Monitor – Serve as the in-room facilitator for Open Figure Study sessions. Coordinate with the model, and ensure the OFS session runs smoothly.

Special Event Coordination – Set up/strike the event. Overseeing of food and drink tables, or bartending, depending on the event. Possible general gopher-ing for last-minute supplies, etc.

Street Team – Increase awareness of the League's programs and mission through catalog distribution, tabling at events and festivals, etc.

Applications can be found at on our website, www.asld.org. We're looking forward to finding the volunteer role that will be the best fit for you!
