The Art Students League of Denver Presents Summer Art Market June 8 & 9
The community event features 240 artists, free family-friendly artmaking opportunities, art demonstrations and live music

DENVER (April 30, 2019) – On Saturday, June 8 and Sunday June 9, from 9 a.m. to 5 p.m. in the West Washington Park neighborhood, the [Art Students League of Denver](#) (ASLD) will host the 27th annual [Summer Art Market](#), an event with 240 visual artist booths, artist demonstrations, kidART programming, live music and food and beverage vendors.

The event, held between E. 1st Avenue and E. 4th Avenue and between Logan Street and Sherman Street, features a range of media, including ceramics, fiber arts, mixed media/book art, painting, drawing, photography, printmaking and sculpture. Summer Art Market is free and open to the public.

“Summer Art Market is ASLD’s largest community initiative, inviting individuals to connect with artists directly and discover all that ASLD has to offer,” said Rachel Basye, executive director, Art Students League of Denver. “Featuring top-quality artwork from the ASLD community, Summer Art Market provides ASLD faculty, students and members with an opportunity to sell their work and inspire the community to create and collect art.”

Summer Art Market features 240 visual artists, including 60 first-time exhibitors. A panel of judges will announce show award winners on Saturday, June 8. Awards will include best of show, juror’s choice 1, 2 and 3 and best booth presentation.

ASLD professional faculty will offer two free art demonstrations per day in a range of media, including drawing, wax painting, sculpting and performance art. Throughout the event weekend, families can partake in [kidART](#) workshops sponsored by [PNC Bank](#). With the guidance of ASLD faculty, children will create shrinky dinks, dragons, gargoyles, watercolors and more.

Attendees are invited inside the Art Students League of Denver building to explore “In the Spotlight,” an exhibit featuring 50 works by new ASLD faculty members.

Food will be provided by [Little Pub Company](#), with drinks provided by [Modelo](#). Food and drink purchases benefit ASLD's year-round programming. Onsite donations to ASLD are also welcome.
