TEEN COMMITTEE

The Teen Committee is a hands-on group that helps drive the teen programing at ASLD. They plan, promote, and produce programs based on the needs of the community and the group's interests. Recent projects (usually four each year) have included a teen art exhibit, a charity event, and a pop-up art show.

You must be a high school student (entering 10th, 11th or 12th grade), be a League member, and be willing to serve a full September-through-May term. Your duties will include monthly committee meetings and full participation in at the events or programs the committee produces each school year.

If this sounds like a good fit for you, please find the application and more information at ASLD.org/about/employment-volunteering/.

BOARD OF DIRECTORS, YOUTH REPRESENTATIVE

Since a large portion of the ASLD community is youth, we want to make sure you have a seat at the table. We have two youth reps who sit on the Board as non-voting members and chair the Youth Advisory Committee.

You must be between 16- and 18-years-old, be interested in art, be a League member, and be willing to serve a full September-through-May term.

Our two Youth Representatives stay busy with board meetings, ASLD activities, volunteering, and advocating for your peers in the ASLD community. You will also work closely with the League's Program Director to advise on youth programs, marketing, and special projects.

If you are interested joining the ASLD Board of Directors, please find more information at ASLD.org/about/employment-volunteering/.

SUMMER JOB

ASLD is a great place to work, too! We hire summer camp assistants to help with the KidART camp sessions (ages 6-17), June through August.

If you like wrangling the littles, getting super messy and are the reliable sort, apply for an assistantship. Applications available in March at ASLD.org/about/employment-volunteering/.
