Please describe your previous community volunteer experience:

ASLD Board members are required to attend regular meetings and to serve on at least one committee, resulting in a time commitment of 4-6 hours/month. Do you see this as an issue for your schedule?

ASLD's core values are Community, Inclusiveness, Learning & Development, Unique Self-Exploration, and Professional Instruction. Please tell us more about your commitment to these values, your experience working with people different from you, and how you think ASLD could further commit to these values in day-to-day operations.

ASLD Board members are asked to make an annual financial contribution of a personally significant amount during their Board tenure. In addition, non-faculty Board members are required to have a current ASLD membership. Are you able to make these commitments?

In addition, please attach a summary of your background and relevant experience (may be in the form of a resume or CV if applicable).
