Atelier in La Napoule, France—Fiber Arts with sewist Christina Patzman
Tuesday, April 25-Tuesday, May 2, 2028

Join ASLD Faculty Member Christina Patzman in the South of France for a fiber arts adventure.

We will spend a week in Mandelieu-La Napoule, a small village outside of Nice, enjoying the French Riviera Spring. Chateau de la Napoule will be our homebase and a source of inspiration for our artwork.

Each day will begin with a group breakfast. Christina will then lead us in a variety of hand sewing techniques, including visible & invisible mending, patchwork, embroidery, applique, and needle felting. Using items from the many gardens around us, we'll create cyanotypes on fabric and natural dyes. You will have the opportunity to try your hand at an embroidered snippet roll or amulet, and a handsewn shirt. You will leave with fabric to use on a project at home as well. We'll share home cooked lunches together in the afternoon, prepared by ASLD staff, and then take time to venture out on our own for more inspiration. We'll reconvene in the early evenings for wine and a critique of the day's work. Our studio will be open all hours of the day, should you desire to continue working in that space.

Unless otherwise noted, dinners will be on your own, exploring local restaurants in town, or cooking in the fully equipped Villa Marguerite kitchen. Two of the nights will be multicourse meals served in the chateau by the lovely staff chef.

Itinerary (Subject to Change as details confirmed)
